ADDITIONAL EDUCATIONAL OFFERS:

PORTUGUESE AS A SECOND LANGUAGE
(Português Língua Não Materna - PLNM):

Our schools offer the subject of Portuguese as a Second Language to all recently arrived students placed in the A1, A2 and B1 language levels, in primary and lower secondary education as well as in scientific-humanistic courses and professional courses.

COMBINED ARTISTIC EDUCATION IN MUSIC
(Ensino articulado de música):

On the basis of a protocol with the Music Academy Fernandes Fão, students can enrol in some of the main subjects from the national curriculum and attend classes in one of our schools combined with music education subjects in which they can enrol at the Music Academy.
